Dr Fiona Cox BVSC Hon

Testimonial from Trudie & 'Sam' (the poodle) on their recent trip to groomer Christie-arna who is based at The Hayshed, Pialago (6247 6217).

'For the first time after a grooming session Sam came home having had a wonderful afternoon (no cage) and the run of a beautiful peaceful garden. He did not come home scared, hiding in the toilet or beside himself at the cut. The softness and care from Christie-arna his groomer is hard to describe. When I returned Sam did not notice my car turning up, he was prancing around the yard! Sam now has a wonderful poodle cut, and looks just like a little 'stud muffin' and is acting the part more than ever.'

Trudie

The February Furrytales walk is on this Sunday at Telopia Park. Remember it is a great opportunity for your dogs to socialize with other friendly, vaccinated dogs.

A week ago we sent out an email about 'Stella' the kelpie puppy who had been stolen. 'Stella' was thankfully returned to her owners by the people who took her. Thanks to everyone who expressed their concern about Stella and forwarded on her information. As you can see she is settling back in.

In memory of Lewis

Our website is soon to undergo its anticipated facelift, so make sure you have a look in the coming month. Also, please remember to send in your photos for inclusion on our website and in our newsletters.
